

**Kenwood Townes HOA
Board Meeting
August 19, 2013
Home of Ric and Claudia Katnik, 8360 Millwood Drive
6:30 pm**

Minutes

1. Roll call to establish a quorum

Old Business

2. Claudia called for approve minutes from the last meeting (July 16, 2013) Before this could be accomplished Esperanza submitted a letter drawn up by she and Haroon stating that Robin Perrin, Ric Katnik, and Claudia Katnik (and Donna Settles, though she is not a board member) had been removed from the Board of Directors. Ric stated that this was not the proper forum to accomplish that task. Esperanza and Haroon began yelling about all our actions on the Board. Ric made a motion to adjourn the meeting. Esperanza stated that we couldn't make any more motions because we were no longer on the Board. The shouting continued and we asked them to leave. This effectively closed the meeting.
